- Nobody Knows...who is getting my money
- Nobody Knows... my middle name, don't put it on my headstone (it's awful!)
- I want you to wipe my phone
- I want my ashes to be scattered at the SCG / MCG
- I want to be buried in my footy jersey
- I want a case in my casket
- I want you to laugh at my funeral
- I want you to pour one out for me
- Nobody Knows what's under the floorboards...shh
- I want you to have my car
- I want a footy game in my memory
- I want you to have my stubby holder collection
- I want the next two generations to remember me
- I want my son to get everything
