

# Salon Ladies

- Nobody Knows... about the diamonds
- Nobody Knows... my one secret love
- Nobody Knows about Rosebud...
- I want you to scatter me at the beach house
- I want to donate my body to science
- I want to be buried in my wedding dress
- I want my hair preserved in curls
- I want you to clear my browser history...shh
- I want everyone to wear colour and eat cake
- I want to be buried next to you
- Don't let my ex talk at my funeral
- I want to be buried in leopard print
- I want my remains to travel far and wide
- I don't want to be buried in my bra!
