

Youth

The secret I'm glad I shared.

dyingtoknow.au

- Nobody Knows...I'm scared of being buried
- Nobody Knows...I want a pub crawl, not a wake
- I want you to have my skateboard collection
- I want a final party not a funeral - a FUN-eral!
- I want you to delete my phone pics hidden folder
- I want my ashes to be shot out of a canon
- I want a Taylor Swift Lyric on my headstone
- I want to be taxidermied - is that allowed?
- You can have my hoodie collection
- If I die, release the drafts folder
- I want to be buried in my hoodie
- I want to be naked and shrouded
- I want to be cryogenically frozen and then brought back in 100 years
